# AN EXCEPTIONAL LUXURY COLLECTION IS UNEARTHED

It's that time of year again where we can step back and toast the changing seasons and the amazing year that has past. In this Winter dispatch I'm thrilled to be able to give our members a preview of the wines in our 2019 Seppelt Luxury Collection. These wines are a testament to the diversity and quality of our vineyards. Sourced from an array of Victoria's most renowned winemaking regions, they are crafted to truly reflect their regional nuances - unique characteristics which are quintessentially Seppelt in style.

In particular, the 2017 St. Peters Shiraz is a real tribute to what the Grampians region can deliver. Utterly distinctive in style, this year's release was again sourced from the finest, most intense fruit - resulting in a powerful wine - equally displaying great finesse that will continue to evolve with age. And, as ever, this year's Drumborg wines are finely structured and expressions of purity and balance that starts in the maritime Drumborg vineyard.

2018 was a magical year across our regions which resulted in elegant expressions that are complete and well balanced. Combined with another extraordinary release of Mount Ida Shiraz from Heathcote, the Seppelt team and I are incredibly proud of what this dispatch delivers.

I hope you enjoy all that this collection offers and the Custodians of Seppelt journey, which, this year, gives our members the opportunity to unearth the 2019 Luxury Collection before the official release in mid June.
